**BRIGHTSCOPE NAMES THE TOP 10 SAN DIEGO AREA-BASED COMPANIES WITH
THE HIGHEST RATED 401K PLANS**

*Medical, Energy and Technology Companies in the Region Dominate the List, Including: Scripps
Clinic Medical Group, Sempra Energy and Qualcomm Incorporated*

SAN DIEGO, Calif. (June 15, 2010) – BrightScope (www.brightscope.com), the leading independent provider of retirement plan ratings, today announced the Top 10 San Diego area-based companies with the highest ranked 401k plans containing more than \$100 million in assets. BrightScope obtains an increasing amount of its data directly from plan sponsors and record keepers, and augments these primary sources with data from publicly available sources such as the Department of Labor and the Securities and Exchange Commission. By analyzing and interpreting this data, BrightScope provides unprecedented transparency into the 401k industry.

“As a native of San Diego, I would like to extend my gratitude to companies on BrightScope’s Top 10 List for offering the very best benefits to their local employees,” said Mike Alfred, the CEO of BrightScope. “There is room for tremendous growth in the county as we currently have more than \$50 million of available salaried jobs in the software industry alone. There is a great need of talented software developers and engineers such as the folks behind BrightScope, which has established itself as the industry standard 401k quality rating and a leader in San Diego’s growing analytics cluster.”

BrightScope's 401k plan Rating was developed by BrightScope, Inc. with the help of leading academics and independent 401k fiduciaries. Analyzing more than 200 individual data points, the BrightScope Rating algorithm can calculate a single numerical score for each 401k plan in the country. The data points examined cover broad categories such as total plan cost, company generosity and investment menu quality.

BrightScope has rated more than 45,000 401k plans, spanning more than 30 million workers and over \$2 trillion in assets. Industry adoption of the BrightScope Rating will lead to more cost-effective plans, increased participation rates, higher employee satisfaction and better outcomes for the 60 million employees who depend on their 401k plan for retirement.
